Officiant

To thee, O Christ, Word of the Father,
we offer our lowly praises and humble thanks.
For love of our human race, thou didst most wonderfully choose to be made man,
and to take our nature as nevermore to lay it by,
that we might be regenerate and born again by thy life-giving Spirit,
and restored in the image of God,
to whom, one blessed and undivided Trinity, be all honor, might,
majesty, and glory, both now and for ever.
